

St. Francis and St. Clare of Assisi

Braintree Catholic Collaborative

Pastoral Plan

PURPOSE STATEMENT

As the Collaborative of Saint Francis and Saint Clare of Assisi, our purpose is to "build" the Kingdom of God, by sharing our abundant resources, and common geography, in order to create opportunities for all to encounter Jesus Christ in worship, sacrament, and one another. We are called to bring Jesus Christ and His Good News to friend and stranger alike within our existing parishes and into the larger community.

VISION

As our patron saints, Saint Clare and Saint Francis, worked in unity to build the Church, our collaborative with pastoral guidance will continually grow and evolve while accepting all where they are on their faith journey.

We will create a community that nurtures, celebrates, and lives the sacraments so that all may develop a personal connection to Jesus and His Word.

VALUES

Identified Value FAITH

Our faith is a gift from God and a gift that we lovingly offer to God. As a people of faith we will:

- Thank God for and praise God for the precious gift of our faith
- Nurture our personal relationship with Jesus
- Share our relationship with Christ with others
- Offer opportunities for communal prayer and worship
- Invite our parishioners and visitors to increase their understanding of, preparation for, and participation in the sacraments

Identified Value INTEGRITY

Our integrity is rooted in the Gospel and in the example set by Jesus Christ. We seek to speak and live the truth in love as we:

- Express and model respect for the sanctity of all human life from conception to natural death
- Treat everyone who ministers at, contacts, or visits our parishes with dignity, respect, and confidentiality
- Inform our choices with the two great commandments of love of God, and love of neighbor
- Live out the Beatitudes and participate in the Works of Mercy

Identified Value FELLOWSHIP

As we grow as a collaborative, we will seek to offer the radical hospitality of Jesus Himself to all who enter here as we strive to:

- Extend personal invitations to participate in parish life and provide volunteer ministry opportunities to adults, teens, and children
- Offer activities that will be inclusive of members of both parishes
- Communicate with clarity among clergy, staff, volunteers, and parishioners

Identified Value STEWARDSHIP & SERVICE

We recognize our responsibility to care for the many gifts of God's creation—our loved ones and friends, the strangers among us, the natural resources of our planet, the finances with which we are entrusted as we:

- Receive, acknowledge with gratitude, care for and share with others the many gifts – spiritual, human, natural and material - of God in our lives
- Minister to the marginalized, the homebound, and those in care facilities
- Offer food and other forms of support to those in need in our parish communities
- Manage responsibly the financial gifts given to the parish via the weekly offertory, special collections, and individual contributions
- Maintain properties and buildings, inside and out to ensure clean, safe, accessible, comfortable environments
